MEDVIX
Surgical Displays

# *MEDVIX QUICK INSTALLATION GUIDE*

## *INSTALLATION*

To install the monitor to your host system, please follow the steps as given below:

**Steps**

1. Use the supplied video cable (DVI, VGA, S-Video, and C-Video) then connect to the host System accordingly.
2. Connect the DC power to the DC power connector on the monitor.
3. Connect one end of AC power cord into the AC Adapter and the other end to AC power Outlet.
4. Turn the host system on and then the monitor.
5. If the monitor still does not display video signal, please rotate the knob to select the video Input desired.
